ASK for PRICES on SEEDS and FARM SUPPLIES

# We Value Your Patronage

Our purpose in sending out this folder is to again express our appreciation of the patronage you have given us and to again call attention to the various lines we handle. We believe every advantage comes to the buyer who sticks to the products of well known manufacturers handled by a well established agency. "The Sweetness of low price never balances the bitterness of low quality" and prompt service gives a sense of security which has a value in itself. We are glad of the continued opportunity to be of service.

*"Good seed is cheap at any cost,  
Poor seed is time and money lost"*

Our stock is complete, starting with Tomato and Pepper for early planting and on through the planting cycle. We have many new varieties, selling principally from bulk seed which we import or buy from Domestic growers. This means new seed of high germination and vitality. We obtain quickly any items not in stock, supplying them at catalogue prices.

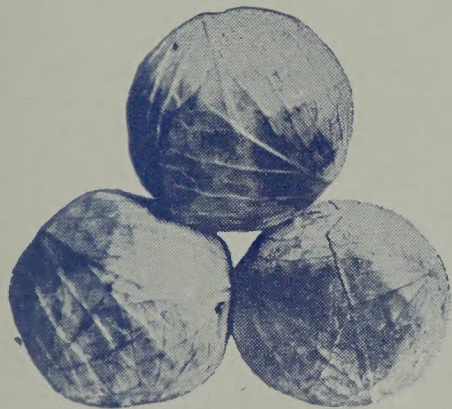

## FLOWERS

We have this year's All-American Winners as well as other new annuals. In addition to a complete stock of flower seeds, we have garden tools, labels, supports, etc. Also an extensive stock of fertilizers and other flower culture helps. Specializing in Sweet Peas and Asters.

## VEGETABLE SEEDS

All standard and many new kinds in bulk or package. We have the varieties recommended by Cornell particularly for market growers. It is our aim to carry only those varieties suited to this locality. The completeness of our stock is illustrated by a list of the Sweet Corn varieties we handle. They are: Extra Early Bantam, Genuine Bantam, Golden Giant, Seneca 60 (hybrid), Yellow Country Gentleman, Black Mexican, Howling Mob and Stowell's Evergreen.

Our Cabbage seed is obtained on direct importation from one of the oldest and best known growers in Denmark. For those who prefer American grown seed, we obtain our supply from a well known Seattle, Washington, grower. Besides the Danish Ballhead Shortstem we have Mammoth Red, Copenhagen Market, Golden Acre and other early sorts.

## SEED CORN

We ask you to try our Reists seed corn, grown in Lancaster County, Pennsylvania by a seed house equipped to harvest, cure and properly grade the seed. This is the best obtainable. Varieties regularly carried are: Mammoth Yellow Sweepstakes, West Branch Sweepstakes, Cornell 11 and Lancaster County Sure Crop. In Ohio grown corn, we have O. & M. Sweepstakes, O. & M. Blue Mountain Ensilage and genuine Leaming as well as a certified Hybrid W-17. This is a superior corn for ensilage or ears.. We always have selected home grown Flint or Husking Corn.

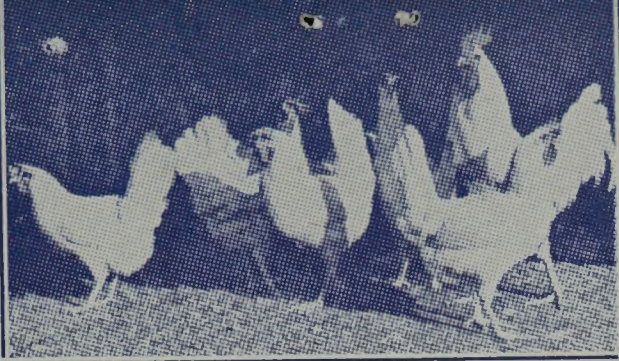

**OUR FIELD SEED** is the Liberty Brand which in Timothy means 99.60% pure; in Red Clover that it is of known origin and that it is adaptable; in Alfalfa that it is Michigan grown Government verified and State certified. We handle only the best.

# BABY

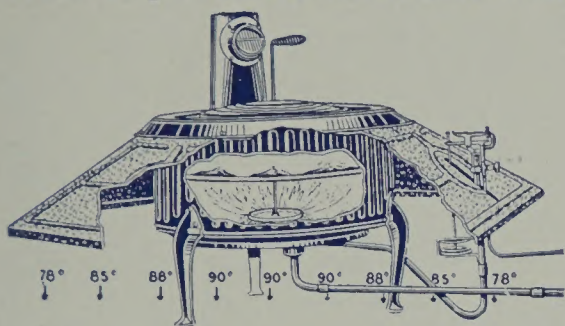

# CHICKS

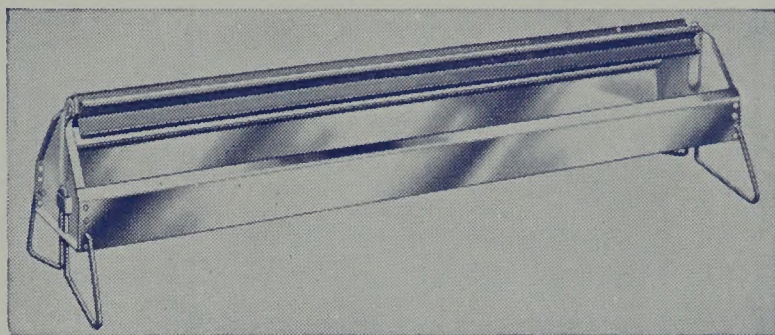

Poultry Supplies and Equipment. For the past three years we have sold a large number of Truslow Farm Chicks. We gladly refer you to purchasers for reference as to quality. Upon request we will send catalogue giving information concerning breeding, etc. From this source we have White Leghorns, New Hampshire Reds, and Barred Rocks. From another hatchery all other breeds. Truslow chicks are U. S. and Maryland approved and tested. Get our prices on Sexed chicks.

## BROODERS

We have the smallest electric and electric unit brooders; but for numbers above 200 recommend the Oil-O-Stat oil burner. This is a trouble free and economical stove giving uniform dependable heat and without supervision;

has full usable space under canopy with uniform heat at all points.

## FEEDERS

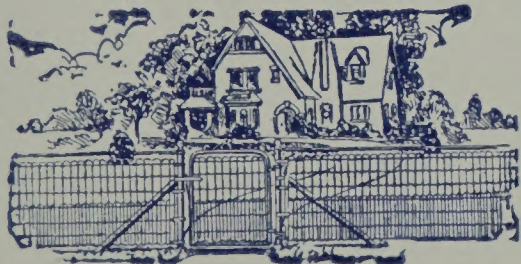

We have complete stocks of feeders, waterers, thermo-wafers, thermometers, roof saddles and ventilators, remedies and all supplies.

# DAIRY SUPPLIES

Electric Water Heaters, Dairy Utensil Brushes, Milk Scales, Cleaning Solutions, H. T. H., B.-K. Dairy Rinse, Milk Tubes, Dialators, Weaners, Louse Killers, Dr. Naylor's, Dr. Hess & Clark, and LeGear's Products.

## BARN EQUIPMENT

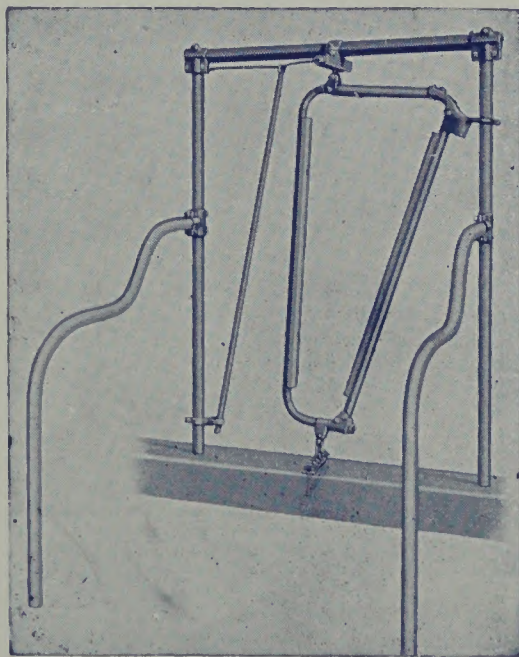

The Simplex Line, Stanchions, Stalls, Ventilators, Pens, Water Bowls, Ventilating Systems. Let us figure on your requirements.

## FENCING

Barb Wire, Poultry Netting, Woven wire and Chain Link Fence. Gates and Ornamental Fencing.

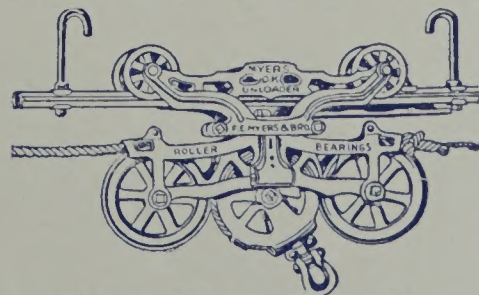

**Sprayers**—Dusters and all spraying and dusting materials.

## MILK COOLING

We sell the well-known Esso Tank and Bruner Compressor—let us figure on your cooler, before buying.

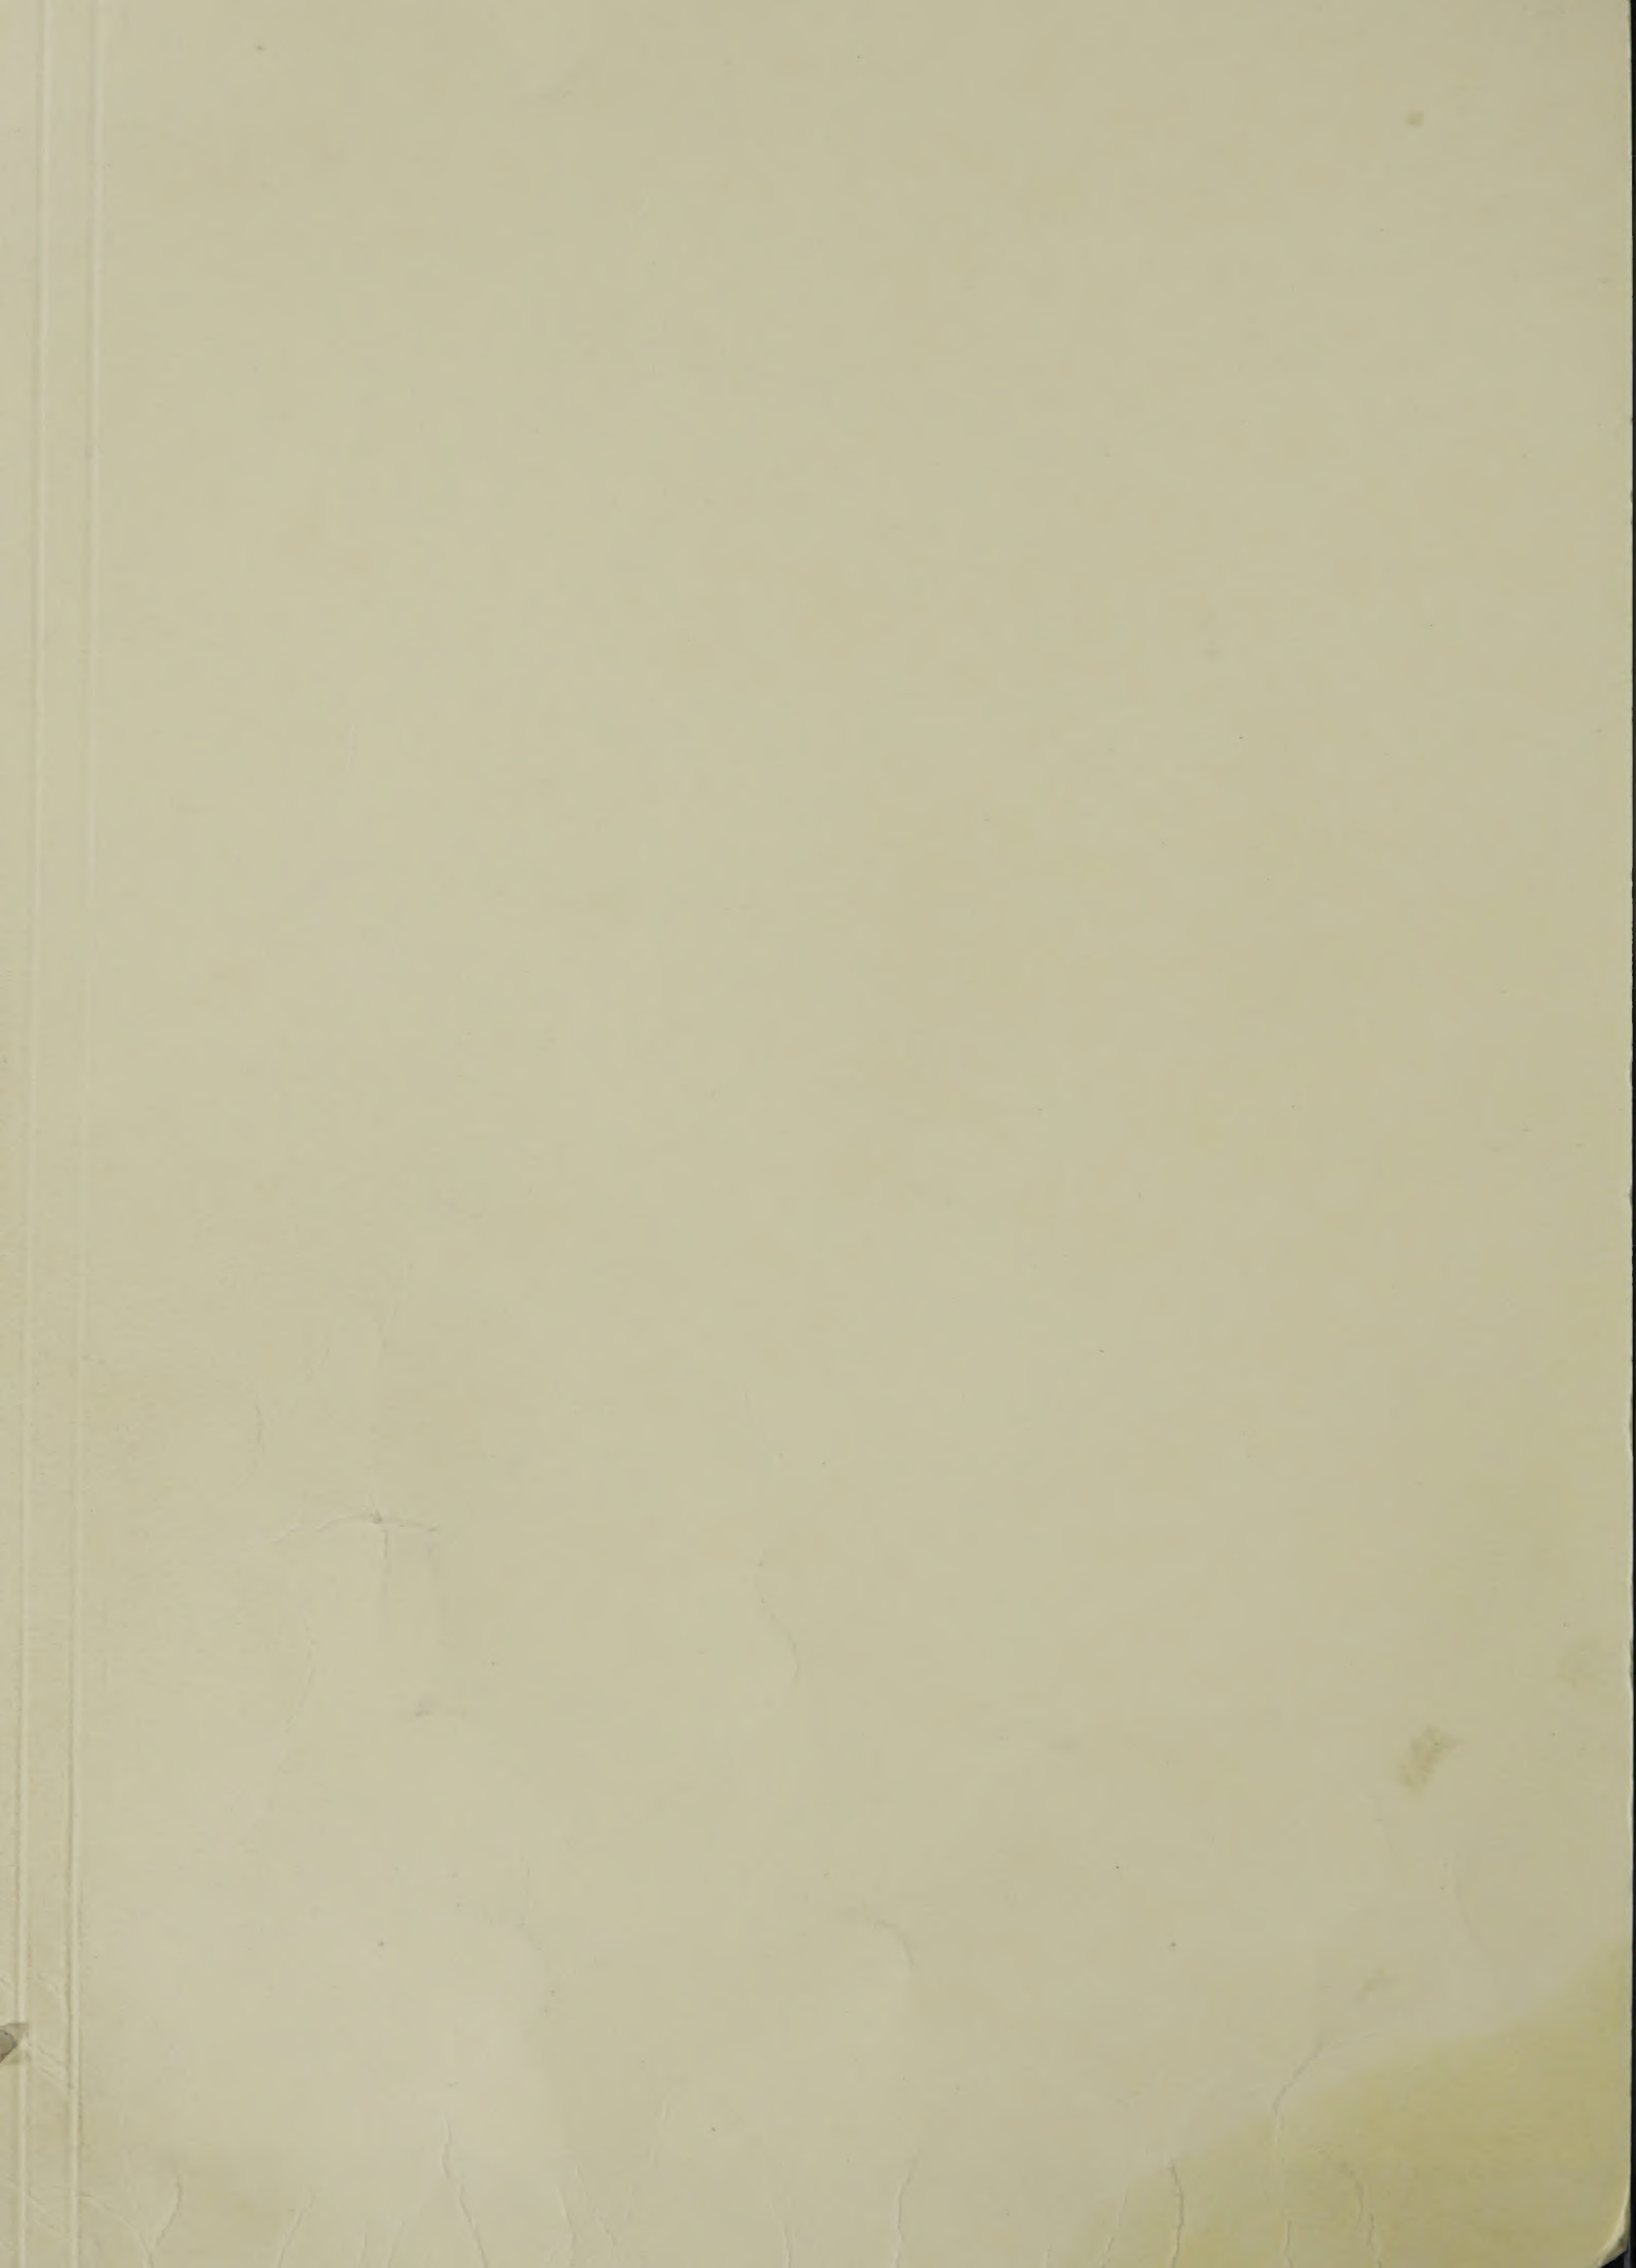

**ELECTRIC FENCE**—The one wire controlled electric fencer; cuts fencing costs 80%. Holds livestock securely at one-fifth the cost of ordinary fence. Try one.

## Myers Hay Handling Equipment

Cars, Track and Hangings, Pulleys, Rope, etc. Also IRELAND HOISTS.

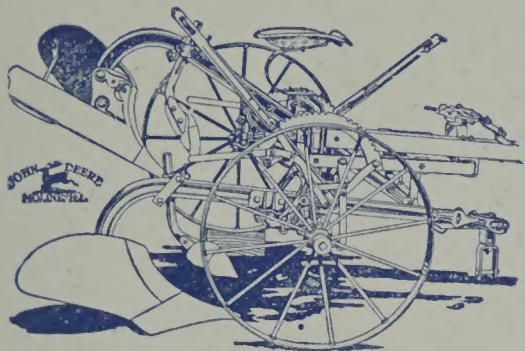

**GET QUALITY  
AND SERVICE**

**THIS STORE  
GIVES BOTH**

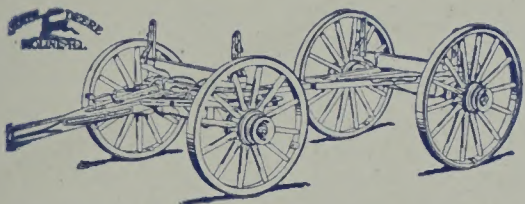

The John Deere trade mark is the best known implement trademark in the world. It is the certificate of character that represents John Deere quality. We handle this line exclusively because we believe it is the best for both seller and buyer. We are in position to render unusual service as we can get three-hour delivery from Syracuse. We have many times felt that an implement business founded on a permanent basis had a definite value in the community which it served. It has been said that "A good implement dealer is one of the best assets any farming community can have."

For the past three years the John Deere Company have made three sizes of farm tractors. This year they have added two more—all models are two cylinders. The Company believe they have abundant proof of the superiority of this semi-disel high compression motor. The John Deere plant has been enlarged successively each year for the past four years, until they now have the largest tractor factory in the World. Yet it has required extra hours of labor to supply the demand. This is the best evidence of the public acceptance of John Deere tractors. To the man who is interested in low cost operation, we say: "Before you invest, investigate!"

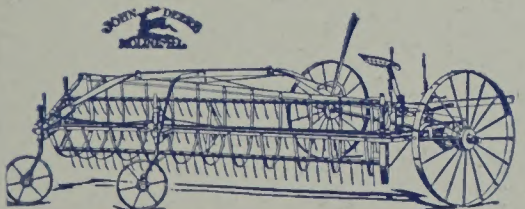

### TRACTOR, SULKY AND WALKING PLOWS

The line is complete in both integral and trailing Tractor Plows. The horse drawn Two-way and Walking Plows. We call particular attention to the new Sulky Plow, which is light, strong and efficient.

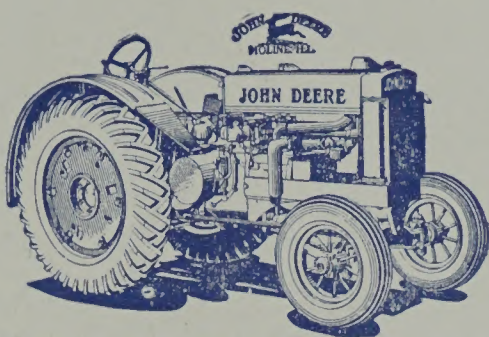

### JOHN DEERE WAGONS

Farm trucks with steel wheels. All steel farm gears and the Reliance farm gear shown in cut. The John Deere Wagon company have been extensive wagon makers for many years.

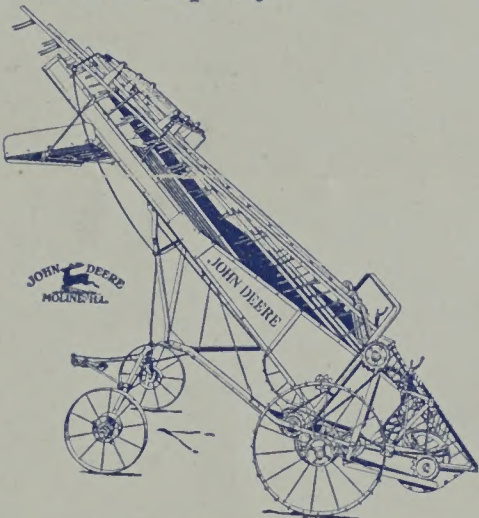

### SIDE DELIVERY RAKE

The new rake with floating reel and easily replaceable teeth. Both are important features.

### ECONOMICAL EFFICIENT HARROWS

Disc, Spring Tooth, heavy duty and quack grass. All made in the Syracuse plant of the company.

### LOADERS

The new reel and rake bar loader with floating reel and forecarriage. Floating reel on haying machinery is an exclusive John Deere feature.

### SECOND HAND GOODS

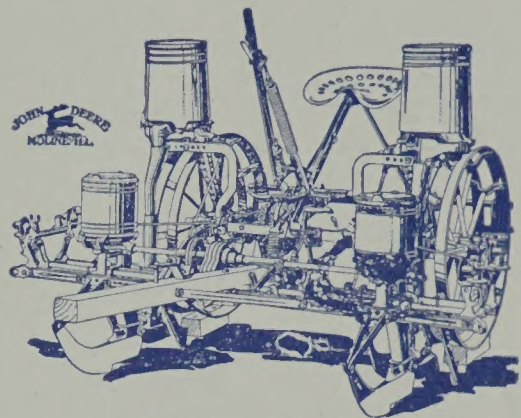

Uebler, two double unit milker, complete with Taylor engine—like new.

Two double Perfection units. De Laval Engine, Spring Tooth Harrow. Horse Disc Harrow. Papec Ensilage Cutter. John Deere Tractor. I. H. C. Tractor. John Deere Loader. John Deere Side Rake. We have used equipment on hand at all times.

### REPAIRS

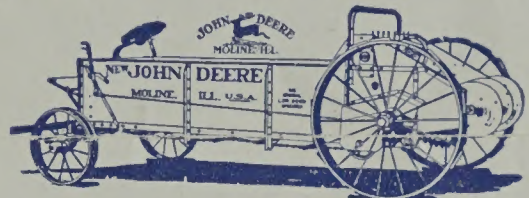

No part of the activity of a farm supply store is of greater importance than attention to repairs. We give this branch of our business close attention and assure customers of immediate service. We carry extensive stocks of wearing parts for all machines.

### CORN PLANTER

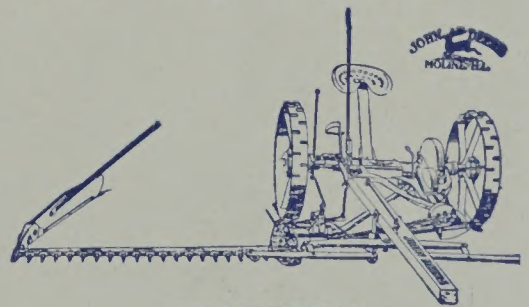

This is an accurate planter, with plenty of fertilizer capacity, fertilizer is deposited on either side of seed. It will not burn.

### SPREADER

This spreader has large capacity, is low down, has end gate, roller steel drive chain, is light draught, the forward end is carried on springs.

The John Deere Spreader on rubber is the ideal outfit.

### MOWERS

The new enclosed gear, high lift machine, self lubricated, supplied with rubber tires if desired. See the John Deere tractor mower, Superior machine.
